- Have you, or someone you know, experienced distress with the drought and/or living in a rural area?
- Would you like to access counselling or other support services?
- Would you like to share your experiences?
- Are you a community group interested in holding mental health promotion activities?
- Do you have ideas for improving local support services for rural families?

If you have answered yes to any of these questions, I would like to hear from you. Please telephone Liz Craig, Program Coordinator – Drought Recovery Support, on 03 5674 0900 or 0437 958 713 during business hours.
