

Yarram Medical Centre

“Trees to the Sea”

2½ hours from Melbourne

Yarram Medical Centre, an accredited GP training practice, is located adjacent to the Yarram & District Health Service where all GPs have admitting rights.

The practice has three full time and one part-time GP and a GP Registrar. Individual interests of our GPs include family medicine and indigenous health. The Yarram Medical Centre is administered by a full time Practice Manager. It is fully computerised and a Practice Nurse is rostered daily.

Subsidised rental of excellent accommodation close to the practice is negotiable.
