

Program Coordinator – Rural Community Support

GPA South Gippsland undertakes a leading role in providing support for General Practitioners and influencing the delivery of health services throughout South Gippsland. In this context the Company undertakes program activities to meet identified health needs in the region.

A new opportunity is now available for a competent program coordinator to manage rural community support with other health agencies in the region to provide linkages to assistance networks and crisis counselling for community members in need.

Applicants are invited to submit an expression of interest for the position of Program Coordinator – Rural Community Support. A background in Mental Health First Aid, Counselling or Health Promotion is preferable but not essential. Knowledge of local communities, health services and networks, and experience in program service delivery will be well regarded. The successful candidate will be appointed to a full time position of 38 hrs per week, concluding on 30th June 2011. A position description may be requested from Ms Sam Moyle, Manager Support Services on (03) 5674 0900. Applications are to be submitted to: Ms S Moyle, Support Services Manager, GPA South Gippsland, PO Box 105, Inverloch 3996 or s.moyle@gpasouthgippsland.com.au
Applications close 5.00 p.m. Friday 30th July 2010.
