## CONFIDENTIALITY

The YOUNGhealth clinic maintains a strict code of confidentiality and privacy.

We will not discuss your problems with your parents or partners or anyone else unless we have permission from you.

We have a separate waiting room from the general clinic. We consult from the Specialist Rooms (turn right at the front doors) where you will be seen by our nurse.

If you would like an appointment with the doctor, this can be arranged at the time.

No accounts will be sent to your home by our practice as the YOUNGhealth clinic is bulk billed (no cost to you).

It is important that if you are required to have any Pathology tests done that you sign the Pathology Request Form so that Pathology will then bulk bill you as well.
